CMRCP/2019-2020

Dt: 27/04/2019

Dear Parent/Student

The academic year 2018-2019 will be ending in April/May 2018. Your ward will be promoted to next higher classes, subject to having the required credits. It is observed during the academic year 2018-2019, a large number of students both from counseling and management have defaulted in timely payment of tuition fees forcing the College to enforce rules to collect late fee from students. Parents need to plan in advance tuition fees payments to ensure that their wards do not default or go through reminders and avoidable restrictions.

To avoid a similar situation like in 2018-2019, Parents and Students are advised to ensure payment of tuition fee along with JNTU and National Board of Accreditation fee before the reopening of the College for Academic Year (2019-2020). Counseling and management students, who default in any of the fees due, will have to pay a **late fee of Rs.50/- per day**. No registration will be entertained for next academic year 2019-2020 without paying complete fees. Students not adhering to the above instructions will not be allowed to attend classes after last date, till fees are paid. Loss of attendance due to nonpayment of fees at a later date will not be condoned by the College and JNTU rules will be strictly adhered.

The last date of payment of tuition fee will be as follow. Concession or pleas will not be accepted for condonation of late fees.

Parents are requested to abide by College tuition fee regulation and no representation or excuses will be entertained. Please confirm receipt of this letter as per attachment.
